

I'm writing to comment on K-LOVE radio. I receive it on 90.5 in my area and am so thankful to have a radio station like this. It is a great encouragement and very much enjoyed by myself, family & friends. I am 26 and would rather listen to this station above all others due to its music and no annoying commercials. If K-LOVE wasn't played, people would not be helped as they are on their 24 hr. prayer line. It is comforting to many listeners to know there is a listening person available anytime that can pray for them. K-LOVE is a great service to the public. It's interest is fully selfless and helpful to many people. Please keep it on the main radio translators. Thank you so much!
